### Registration in Missuact.

Missouri. The old registration law diafra chised great numbers of constitutional vote-insomuch that the ascendency of the Radio minority was secured for one term; but Under this provision an election was held dase course of time and officers of registra-tion chosen by the people a ho are influenced rather by a sense of duty and regard for the rights of citizens than a desire for the per-petuation of Redical tyrans, in plain terms, those of the people who were permitted to vote by Fietcher's erestures elected registrars that would have admitted anch a number of their fellow-citi-nens to the exercise of their right of franchise the State to the Democracy. Before these the Ohlo and Misstasippi Haffrond, rays that the new officers could enter upon their positions, however, the action of the people has been on seeming air line, to New Albart, massive of the people has been on seeming air line, to New Albart, massive of the people has been on seeming air line, to New Albart, massive of the people of the p

reinvested in the Governor, in which the gubernaturial appointees have the complete control of elections, and in which new causes for distranchisement are recited.

The case of Missouri is a singularity bad one. With a population, four-dithr of whom loathe and above Rad calism with all that intensity of freemen and pairtoit, administration of things during the war to fasten upon the people a consultation of things during the war to fasten upon the people a consultation of the state over for all time to the Radical party. So compected with or asymptotical for the control of the state over for all time to the Radical party. So compected with or asymptotical for the control of things during the war to fasten upon the people a consultation of things during the war to fasten upon the people as consultation of things during the war to fasten upon the people as on consists and over for all time to the Radical party. So compected with or asymptotic to the control of the state of the control of the state of the control of the state of the control of things during the war to fasten upon the people as on consists the control of things during the war to fasten upon the people as on consists the control of things during the war to fasten upon the people as on consists the fast of the control of things during the The Redical minority, at first contempetally amail, is each day becoming more insignifi-cant in point of numbers, so the history of

despirate opposition of Rolson Wadeworth and Herian, and we present to an do so They had seen to the civit in Balling

be Rack in the Nineteenth Century. [From All the Year Round.]

the Rack is the Nuccessith Century.

[From All the Year Round.]

I am a plain usen who hates nonsense.

My friend Bumpus tells me that I must dispose of a few pounds of the edipositions which I pack under my waistook, lace my stays a little upto.

"Biobb," says my friend Bumpus, "You're too fat. You est too much you gasping at this moment that you'll die of fatty heart, if you don't mind yourself.

Fat, don't you know, if you get too mach of the collectes about the cockies of the heart, end hinders them from opening their shells—amothers them, in fact. Blobb? you are a mass of ockies; and one of these days you will be emothered.

"Blompus" I sakd "you are nnfeel ng."

"Blumpus" I sakd "you are nnfeel ng."

"Blumpus" I sakd "you are nnfeel ng."

"It's what you'll wish you were. But come, old fellow, I'll grey you a chance of twenty years more of life. You won't leave of teeding on potatose, you will make the come, old fellow, I'll grey you a chance of the said on a drink beer. Very well, thet; cat 'o'm, and wock 'em into muscle. If you want to says your cockies, fail to at your muscles." I believed, npon my honor, that he meant this for a joke. "A lean new year to you," says he, "and more lash years than Pharach had. Here, Blobb, my boy, I'd be sorry to lose of good neighbor as soon as you seem to be going, end so I shall take the liberty of giving you a Christmas-box."
